

## **KaliNews Licence**

KaliNews © Soft Experience 2004, version 2.0, 12/01/2004

[KaliNews is a registered trade mark]

### **1- Preface**

Soft Experience [15 avenue de Villiers, 91360 Villemoisson-sur-Orge FRANCE] holds all the property rights on KaliNews software and decided to distribute this software with source code.

The present license can be qualified as "open source semi-free" according to the categories defined by the Free Software Foundations (FSF), see:

[www.fsf.org/philosophy/categories.html#semi-freeSoftware](http://www.fsf.org/philosophy/categories.html#semi-freeSoftware)

The aim of this license is to lay down the conditions enabling you to use, modify and circulate KaliNews software. However, Soft Experience remains the author of KaliNews software and so retains the enjoy and the use of all ancillary rights. The rights granted to the users by the present license are given only for experimentation, evaluation, research and education purposes. Any use or reproduction of KaliNews software and/or the documents exclusive property of Soft Experience realized for lucrative and commercial purposes or as internal product on the production lines of the licensee, is subjected to the express and preliminary agreement of Soft Experience. Any activity, for commercial purposes or on the production lines of the licensee, realized without the express and preliminary agreement of Soft Experience, from KaliNews software or KaliNews derived software or from composite software integrating KaliNews would constitute an infringement of copyright. Any user of KaliNews software undertakes to communicate his remarks on the use of the software at the following address: [support@softexperience.com](mailto:support@softexperience.com).

### **2- Definitions**

The SOFTWARE is defined as KaliNews software version 2.0 and its technical documentation.

KaliNews DERIVED SOFTWARE is defined as all or part of the SOFTWARE that you have modified and/or translated and/or adapted. KaliNews COMPOSITE SOFTWARE is defined as all or a part of the SOFTWARE that you have interfaced with software, an application package or a toolbox of which you are owner or entitled beneficiary.

### **3- Object and conditions of the SOFTWARE license**

- a) Soft Experience authorizes you free of charge, to reproduce the SOFTWARE source and/or object code on any present and future support, without restriction, providing the following reference appears in all the copies: KaliNews © Soft Experience 2004, accompanied with the present license.
- b) Soft Experience authorizes you free of charge to correct any bugs, carry out any modifications required for the porting of the SOFTWARE and to carry out any usual functional modification or correction, providing you insert a patch file or you indicate by any other equivalent means the nature and date of the modification or the correction, on the file(s) concerned of the SOFTWARE.
- c) Soft Experience authorizes you free of charge to use the SOFTWARE source and/or object code, without restriction, providing the following reference appears in all the copies: KaliNews © Soft Experience 2004, accompanied with the present license.
- d) Soft Experience authorizes you free of charge to circulate and distribute, free of charge, the SOFTWARE source and/or object code, including the SOFTWARE modified in accordance with

above-mentioned article 3 b), on any present and future support, providing:

- to circulate and distribute the SOFTWARE only to users authorized by Soft Experience
  - the following reference appears in all the copies: KaliNews © Soft Experience 2004.
  - the SOFTWARE is circulated or distributed under the present license.
  - patch files or files containing equivalent means indicating the nature and the date of the modification or the correction to the SOFTWARE file(s) concerned are freely circulated.
- e) Any commercial use or circulation of the SOFTWARE or use on the production lines of the licensee shall have been previously authorized by Soft Experience.

#### **4- Object and conditions of the DERIVED SOFTWARE license**

a) Soft Experience authorizes you free of charge to reproduce and modify and/or translate and/or adapt all or part of the source and/or the object code of the SOFTWARE, providing a patch file indicating the date and the nature of the modification and/or the translation and/or the adaptation and the name of their author in the SOFTWARE file(s) concerned is inserted. The SOFTWARE thus modified is defined as DERIVED SOFTWARE. Soft Experience authorizes you free of charge to use the source and/or object code of the SOFTWARE, without restriction, providing the following reference appears in all the copies: KaliNews © Soft Experience 2004, accompanied with the present license.

b) Soft Experience authorizes you free of charge to use the SOFTWARE source and/or object code modified according to article 4-a) above, without restriction, providing the following reference appears in all the copies: « KaliNews inside © Soft Experience 2004 », accompanied with the present license.

c) Soft Experience authorizes you free of charge to circulate and distribute for no charge, for non-commercial purposes the source and/or object code of DERIVED SOFTWARE on any present and future support, providing:

- to circulate and distribute the SOFTWARE only to users authorized by Soft Experience
- the reference « KaliNews inside © Soft Experience 2004 » is prominently mentioned;
- the DERIVED SOFTWARE is distributed under the present license;
- the recipients of the distribution can access the SOFTWARE source code;
- the DERIVED SOFTWARE is distributed under a name other than KaliNews.

d) Any commercial use or circulation of the DERIVED SOFTWARE or use on the production lines of the licensee shall have been previously authorized by Soft Experience.

#### **5- Object and conditions of the license concerning COMPOSITE SOFTWARE**

a) Soft Experience authorizes you to reproduce and interface all or part of the SOFTWARE with all or part of other software, application packages or toolboxes of which you are owner or entitled beneficiary in order to obtain COMPOSITE SOFTWARE.

b) Soft Experience authorizes you free of charge to use the SOFTWARE source and/or object code included in the COMPOSITE SOFTWARE, without restriction, providing the following reference appears in all the copies: « composite software using KaliNews functionality © Soft Experience 2004 », accompanied with the present license.

c) Soft Experience authorizes you free of charge to circulate and distribute for no charge, for purposes other than commercial, the source and/or object code of COMPOSITE SOFTWARE on any present and future support, providing:

- to circulate and distribute the SOFTWARE only to users authorized by Soft Experience
- the following reference is prominently mentioned: « composite software using KaliNews functionality © Soft Experience 2004 »;

- the SOFTWARE included in COMPOSITE SOFTWARE is distributed under the present license;
  - recipients of the distribution have access to the SOFTWARE source code;
  - the COMPOSITE SOFTWARE is distributed under a name other than KaliNews.
- d) Any commercial use or distribution of COMPOSITE SOFTWARE or use on the production lines of the licensee shall have been previously authorized by Soft Experience.

## **6- Limitation of the guarantee**

Except when mentioned otherwise in writing, the SOFTWARE is supplied as is, with no explicit or implicit guarantee, including guarantees of commercialization or adaptation. You assume all risks concerning the quality or the effects of the SOFTWARE and its use. If the SOFTWARE is defective, you will bear the costs of all required services, corrections or repairs.

## **7- Consent**

When you access and use the SOFTWARE, you are presumed to be aware of and to have accepted all the rights and obligations of the present license.

## **8- Binding effect**

This license has the binding value of a contract. You are not responsible for respect of the license by a third party if you have transmitted it with the SOFTWARE.

## **9- Language of the contract - Enforceable Law - Competent court**

The present license is drawn up in French version and in English version; in case of dispute, the French version shall be deemed authentic. The present license and its effects are subject to French law and the competent French courts.
